To Whom It May Concern:

Swafford Industries, Commercial and Government Entity Code 5R482, has been doing business with the Defense Logistics Agency (DLA) for over 20 years as a prime contractor. These contracts were all for new/refurbished prior Government surplus material. Swafford Industries has never had a Product Quality Deficiency Report (PQDR) registered against any of these contracts. DLA appreciates vendors who have a superior quality record such as Swafford Industries.

Sincerely,

A handwritten signature in black ink, appearing to read "William S. Finkel".
